

Strawberry Essential Oil

Melanic Organic | Full Product Listing

Product Type	Fragrance Oil (Strawberry Aroma Blend)
Scent Profile	Sweet, juicy, fruity strawberry
Best Used For	Diffusing, candle & soap making, DIY body care blends
Free From	Synthetic dyes, unnecessary fillers

Product Overview

Bring the sweet, sun-ripened scent of fresh strawberries into your home with Melanic Organic Strawberry Essential Oil. Because strawberries naturally contain very little extractable aromatic oil, this blend is expertly crafted to capture that unmistakably juicy, fruity strawberry scent for use in diffusers, candles, soaps, and DIY body care projects.

Melanic Organic Strawberry Essential Oil is formulated without synthetic dyes or unnecessary fillers, giving you a clean, versatile fragrance oil to bring warmth, sweetness, and a playful fruity note to your favorite blends and handmade creations.

Key Benefits

- Delivers a sweet, juicy, true-to-fruit strawberry scent
- Versatile for diffusing, candle-making, and soap-making
- Adds a playful, fruity note to DIY body care blends
- Long-lasting fragrance that holds up well in wax and cold-process soap
- Free from synthetic dyes and unnecessary fillers
- Blends beautifully with vanilla, citrus, and floral fragrance notes

Who Should Use This

- Candle and soap makers looking for a true-to-fruit strawberry scent
- Anyone wanting a sweet, fruity aroma for diffusing at home
- DIY body care crafters making scrubs, lotions, or bath products
- Those who enjoy fruity fragrance blends layered with vanilla or floral notes

When & How to Use

Diffusing: Add 3-5 drops to an essential oil diffuser with water for a sweet, fruity scent throughout your space.

Candle & soap making: Add at the recommended usage rate for your wax or soap base — typically a small percentage of total batch weight.

Topical/body care use: Always dilute with a carrier oil or incorporate into a tested body care base before applying to skin.

Blending: Pairs well with vanilla, citrus, or light floral fragrance oils for a layered, custom scent.

Key Ingredients

Strawberry Fragrance Blend: A carefully formulated aroma blend crafted to capture the sweet, juicy scent of ripe strawberries for use in diffusing, candle-making, and DIY body care.

Why Choose Melanic Organic

Honest Labeling — We clearly identify this as a crafted fragrance blend rather than a falsely claimed steam-distilled extract, since true strawberry essential oil isn't practically produced this way.

Consistent, Balanced Scent — Each batch is formulated to deliver the same true-to-fruit strawberry aroma every time.

Clean Formulation — Made without synthetic dyes or unnecessary fillers.

Versatile for Makers — Formulated to perform well in diffusers, candles, soap, and DIY body care projects.

Rigorously Tested — Our fragrance blends undergo quality testing to help ensure consistency and safety for their intended uses.

Made for Real, Everyday Wellness — Melanic Organic is built around simple, honest products designed to support your creative and self-care routines — not gimmicks or trends.

Disclaimer: This is a fragrance oil blend, not a true steam-distilled or cold-pressed botanical extract. For external and aromatic use only. Always dilute before applying to skin or incorporating into a body care base. Keep out of reach of children and pets. Avoid contact with eyes and mucous membranes. Perform a patch test before topical or body-care use.
