Who Should Use This

- Anyone with dry, dull, or dehydrated skin looking for a quick hydration boost
- Those with sensitive or easily irritated skin seeking a gentle, alcohol-free toner
- Makeup wearers who want to set and refresh their look throughout the day
- People who travel often or spend time in dry, air-conditioned, or heated environments
- Anyone building a simple, natural skincare routine free of harsh chemicals

When & How to Use

Morning: Mist onto clean skin before applying serum or moisturizer to add a hydrating base layer.

Midday: Spritz over makeup whenever skin feels tight, dry, or dull for an instant refresh.

Evening: Use after cleansing to gently tone skin and prep it for night serums or creams.

How to apply: Hold the bottle 6-8 inches from your face, close your eyes, and mist 2-3 times. Pat gently into skin or let it air-dry — no need to rinse.

Key Ingredients

Steam-Distilled Rose Water (Rosa damascena): Naturally hydrating and soothing, prized for centuries in skincare rituals for its gentle toning properties and delicate aroma.

Purified Water Base: A clean, lightweight carrier that helps the formula absorb quickly without residue.

Why Choose Melanic Organic

Purity You Can Trust — Made with pure, steam-distilled rose water — no alcohol, artificial fragrance, or harsh additives.

Gentle on Every Skin Type — Our alcohol-free formula is designed to hydrate and soothe without irritating sensitive skin.

Rooted in Nature, Backed by Care — We honor traditional botanical beauty rituals while applying modern quality standards to every step of production.

Rigorously Tested — Our formulations undergo quality testing to help ensure purity, safety, and consistency.

Sustainably Sourced — We partner with responsible growers to source rose petals in a way that respects both people and the planet.

Made for Real, Everyday Wellness — Melanic Organic is built around simple, honest formulas designed to support your natural glow — not gimmicks or trends.
