Botanical Name	Oenothera biennis
Key Compound	Gamma-Linolenic Acid (GLA)
Best Used For	Skin health, hormonal balance, joint comfort
Free From	Artificial fillers, preservatives, GMOs

Product Overview

Support your skin, hormonal balance, and overall wellness with Melanic Organic Evening Primrose Oil. Cold-pressed from the seeds of Oenothera biennis, this oil is naturally rich in gamma-linolenic acid (GLA), an essential omega-6 fatty acid the body cannot produce on its own. Traditionally used to support women's health and skin vitality, evening primrose oil has become a staple in natural wellness routines around the world.

Each easy-to-swallow softgel is made from pure, cold-pressed oil with no artificial fillers, preservatives, or GMO ingredients — just a simple, concentrated source of GLA to support your body from the inside out.

Key Benefits

- Rich source of gamma-linolenic acid (GLA), an essential omega-6 fatty acid
- Supports skin hydration, elasticity, and overall skin health
- May help support hormonal balance throughout the monthly cycle
- Supports healthy-looking skin from within
- May help support joint comfort and flexibility
- Supports overall cardiovascular and cellular wellness
- Cold-pressed to help preserve the oil's natural fatty acid content
- Non-GMO softgels with no artificial fillers or preservatives

Who Should Use This

- Those looking to support skin hydration and a healthy, radiant complexion
- Individuals wanting extra support for hormonal balance throughout the month
- Anyone seeking a natural source of GLA and essential fatty acids
- People interested in supporting joint comfort as part of a wellness routine
- Those building a simple, natural supplement routine free of synthetic fillers

When & How to Use

Daily use: Take softgels with a meal to support absorption of the fatty acids, as directed on the label.

Consistency matters: Like many fatty-acid supplements, evening primrose oil is generally taken consistently over time as part of a daily routine rather than as a one-time fix.

Pairing: Often taken alongside a balanced diet and skincare routine to support overall skin and hormonal wellness.

Key Ingredients

Cold-Pressed Evening Primrose Oil (Oenothera biennis): Naturally rich in gamma-linolenic acid (GLA), a fatty acid traditionally used to support skin health and hormonal balance.

Softgel Shell: A simple, easy-to-swallow capsule shell designed for smooth digestion and absorption.

Why Choose Melanic Organic

Purity You Can Trust — Cold-pressed evening primrose oil with no artificial fillers, preservatives, or GMO ingredients.

GLA-Rich Formula — Sourced and processed to help preserve the oil's naturally occurring gamma-linolenic acid content.

Rooted in Nature, Backed by Care — We honor traditional herbal wisdom while applying modern quality standards to every step of production.

Rigorously Tested — Our formulations undergo quality testing to help ensure purity, potency, and safety.

Sustainably Sourced — We partner with responsible growers to source evening primrose seeds thoughtfully.

Made for Real, Everyday Wellness — Melanic Organic is built around simple, honest formulas designed to support your natural rhythm — not gimmicks or trends.
