Melanic Organic | Full Product Listing

Product Type	100% Pure Essential Oil
Botanical Name	Cymbopogon nardus
Extraction Method	Steam Distilled
Best Used For	Outdoor diffusing, DIY candles & sprays, natural bug-deterrent blends
Free From	Synthetic fragrance, fillers, additives

Product Overview

Bring the fresh, citrusy scent of the outdoors inside with Melanic Organic Citronella Essential Oil. Steam-distilled from the leaves and stems of Cymbopogon nardus, this pure oil carries a bright, lemony aroma with earthy, grassy undertones. Best known as a natural addition to outdoor candles and sprays, citronella oil is a staple for patio evenings, camping trips, and warm-weather gatherings.

Bottled from pure, unadulterated plant extract with no synthetic fragrance or additives, Melanic Organic Citronella Essential Oil is stored in protective dark glass to help preserve its potency and freshness batch after batch.

Key Benefits

- Delivers a fresh, bright, citrusy aroma popular for outdoor spaces
- Widely used as a natural ingredient in DIY bug-deterrent candles and sprays
- May help promote a refreshing, energizing atmosphere when diffused
- Versatile for candle-making, soap-making, and outdoor personal care blends
- Often used to help naturally freshen patios, porches, and outdoor gatherings
- Steam-distilled and unadulterated for a pure, potent aroma
- Dark glass bottle helps protect the oil from light exposure

Who Should Use This

- Anyone looking to make DIY outdoor candles, sprays, or torches
- Those who spend time outdoors and want a natural, citrusy scent option
- Campers, gardeners, and patio-dwellers building a warm-weather routine
- DIY crafters making soaps, balms, or personal care blends
- Aromatherapy users who enjoy bright, citrus-forward diffuser scents

When & How to Use

Diffusing: Add 3-5 drops to an essential oil diffuser with water and run outdoors or in a well-ventilated space.

DIY candles & sprays: Add to unscented candle wax, soy wax melts, or a water-based spray bottle for an outdoor-friendly scent blend.

Topical use: Always dilute with a carrier oil before applying to skin — never apply undiluted.

Outdoor gatherings: Combine with citronella candles or torches for a layered, natural outdoor scent experience.

Key Ingredients

100% Pure Citronella Oil (Cymbopogon nardus): Steam-distilled from citronella grass, valued for its bright, citrusy aroma and popularity in outdoor and DIY personal care applications.

Why Choose Melanic Organic

Purity You Can Trust — 100% pure, steam-distilled citronella oil with no synthetic fragrance or fillers.

Single-Origin Sourcing — We work with growers who cultivate citronella grass using sustainable, traditional farming practices.

Rooted in Nature, Backed by Care — We combine time-honored aromatherapy traditions with modern quality standards at every step.

Rigorously Tested — Our oils undergo quality testing to help verify purity and potency.

Protective Packaging — Bottled in dark glass to help shield the oil from light and preserve its natural potency.

Made for Real, Everyday Wellness — Melanic Organic is built around simple, honest formulas designed to support your natural rhythm — not gimmicks or trends.

Disclaimer: For external and aromatic use only. Always dilute before applying to skin. Keep out of reach of children and pets. Avoid contact with eyes and mucous membranes. Consult a healthcare professional before use if pregnant, nursing, or managing a medical condition.
