When & How to Use

Diffusing: Add 3-5 drops to an essential oil diffuser with water during meditation, yoga, or evening relaxation time.

Topical use: Always dilute with a carrier oil before applying to skin — a common ratio is 1-2 drops per teaspoon of carrier oil.

Personal scent: Apply diluted oil to pulse points for a warm, natural, long-lasting fragrance.

DIY blends: Add to unscented lotions, balms, or facial oils for a grounding addition to your skincare routine.

Key Ingredients

100% Pure Sandalwood Oil (*Santalum album*): Steam-distilled from sandalwood heartwood, prized for its rich, creamy, woody aroma and long history in meditation and skincare traditions.

Why Choose Melanic Organic
