Myrrh Essential Oil

Melanic Organic | Full Product Listing

Product Type	100% Pure Essential Oil
Botanical Name	Commiphora myrrha
Extraction Method	Steam Distilled from Resin
Best Used For	Meditation, grounding diffuser blends, diluted skincare
Free From	Synthetic fragrance, fillers, additives

Product Overview

Deepen your sense of calm and connection with Melanic Organic Myrrh Essential Oil. Steam-distilled from the resin of Commiphora myrrha, this warm, earthy, slightly smoky oil has been treasured for thousands of years in sacred rituals, meditation practices, and traditional beauty routines across ancient civilizations. Its deep, resinous aroma makes it a favorite for grounding diffuser blends and diluted skincare preparations.

Bottled from pure, unadulterated resin extract with no synthetic fragrance or additives, Melanic Organic Myrrh Essential Oil is stored in protective dark glass to help preserve its rich aroma and potency over time.

Key Benefits

- Delivers a warm, earthy, resinous aroma when diffused
- May help promote a sense of grounding and calm during meditation
- Popular for spiritual, ritual, and mindfulness practices
- Supports a soothing atmosphere for evening wind-down routines
- Versatile for diluted skincare blends and traditional beauty rituals
- Long-lasting base note that pairs well with frankincense and floral oils
- Steam-distilled and unadulterated for a pure, potent aroma
- Dark glass bottle helps protect the oil from light exposure

Who Should Use This

- Those seeking a warm, grounding scent for meditation or spiritual practice
- Anyone building a calming evening wind-down or mindfulness ritual
- Aromatherapy users who enjoy deep, resinous base-note diffuser blends
- DIY skincare crafters making diluted facial oils, balms, or traditional blends
- Perfume and personal-scent enthusiasts layering natural botanical resins

When & How to Use

Diffusing: Add 3-5 drops to an essential oil diffuser with water during meditation, yoga, or evening relaxation time.

Topical use: Always dilute with a carrier oil before applying to skin — a common ratio is 1-2 drops per teaspoon of carrier oil.

Personal scent: Apply diluted oil to pulse points for a warm, resinous, long-lasting fragrance.

DIY blends: Add to unscented balms, salves, or facial oils for a grounding addition to your skincare routine.

Key Ingredients

100% Pure Myrrh Oil (Commiphora myrrha): Steam-distilled from myrrh resin, prized for its warm, earthy, resinous aroma and long history in sacred and traditional beauty rituals.

Why Choose Melanic Organic

Purity You Can Trust — 100% pure, steam-distilled myrrh oil with no synthetic fragrance or fillers.

Responsibly Sourced — We work with suppliers who prioritize sustainable, responsible resin harvesting practices.

Rooted in Nature, Backed by Care — We combine time-honored traditions with modern quality standards at every step.

Rigorously Tested — Our oils undergo quality testing to help verify purity and potency.

Protective Packaging — Bottled in dark glass to help shield the oil from light and preserve its natural potency.

Made for Real, Everyday Wellness — Melanic Organic is built around simple, honest formulas designed to support your natural rhythm — not gimmicks or trends.

Disclaimer: For external and aromatic use only. Always dilute before applying to skin. Keep out of reach of children and pets. Avoid contact with eyes and mucous membranes. Consult a healthcare professional before use if pregnant, nursing, or managing a medical condition.
